

# ALDILA™ NVS WOOD

## HIGH LAUNCH, MID/HIGH SPIN

<b>Company</b>	Aldila®
<b>Product Type</b>	WOOD
<b>Series</b>	NVS™
<b>Year</b>	2023

ALDILA's classic NVS Orange and NVS Pink wood shafts have been refreshed in 2023 with an all-new cosmetic. NVS Orange and Pink use the same high strength materials as their siblings NV Green and NV Pink to produce higher-launching and higher-spinning performance. To celebrate its 20 year anniversary, NVS Orange and Pink get a total cosmetic overhaul – but still the same technology and structure golfers have come to trust over two decades.

**Key Technologies:** NexGen Micro Laminate Technology
